NEEDS VS WANTS

NEEDS…something that you have to have to survive or complete a task

WANTS…something you would like to have but can survive or complete a task without.

CRITICAL THINKING: Draw a square around the needs and a circle around the wants.

Nutritious food
Soft drink

CONNECT:

Circle: Is it better to choose a WANT or a NEED?

Explain your reasoning…

APPLICATION:

I'm blind, what do I need when I go to school? Give reason for your suggestions.
