

Generosity Challenge

As a class, complete as many of these tasks during one week.

Remember,

**WHAT HELPS YOU,
HELPS ME!**

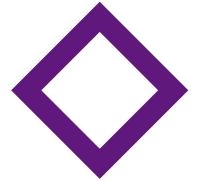

Is there someone within the school who you've noticed works really hard and you would like to show your appreciation for? Create an award for them and present it in a way that celebrates them for what they do.

Grab a bread bag and fill it with rubbish that you find around the school grounds.

Make bookmarks and then hide them within books in your school library, for other students to find and keep.

While you're out in the playground, keep an eye out for others who might be struggling, (they could be sad, lonely, scared, or bored). Generously offer to be the support they might want, (listening ear, helping hand, kind company, or a good time).

Using chalk, write words or draw pictures on the pathways around school for others to see and feel encouraged by.
